Marketing Communications Manager with 4+ years in B2B demand generation, content strategy, and multi-channel campaign execution. Skilled in lead generation, audience engagement, and cross-functional stakeholder collaboration.

EXPERIENCE

Creative Dock BER GmbH

Berlin, Germany

Marketing & Communications Specialist

January 2024 – December 2024

- Designed and executed B2B demand generation and content marketing campaigns across LinkedIn (organic + paid), blog, CRM email, and digital media channels, increasing content engagement by 87%.
- Managed end-to-end multi-channel campaigns for strategic foresight reports targeting C-level executives and senior innovation leaders, generating 308 Marketing Qualified Leads (MQLs).
- Developed content strategies with 17+ KOLs and industry executives, aligning enterprise messaging and increasing website engagement by 84%.
- Owned and optimised the external B2B newsletter program (10K+ subscribers) using Mailchimp CRM, improving email performance and maintaining an average open rate of 30%.
- Collaborated with Sales, CRM, PR, ABM, and Social Media teams to ensure consistent messaging across LinkedIn, email, blogs, and digital channels.
- Supported executive thought leadership at World Economic Forum (Davos), DTIM Berlin, and Innov8rs Lisbon.
- Tracked and analysed campaign performance via LinkedIn Analytics and WordPress insights, using data to optimise editorial strategy and content performance.

Rohrbeck Heger GmbH

Berlin, Germany

Marketing Assistant

March 2022 – December 2023

- Built and managed a centralised B2B content and sales enablement ecosystem supporting 120+ client projects, producing 8+ case studies, 4+ service one-pagers, and structured content libraries.
- Planned and executed content-driven marketing campaigns for innovation and foresight consulting services within a 50K annual marketing budget.
- Researched and produced foresight and market intelligence insights for Fortune 500 clients, developing strategic reports and trend analyses used by innovation leaders, strategy teams, and senior executives.
- Created high-impact B2B content assets (reports, videos, blogs) driving 2K+ downloads and 600+ engagements; maintained performance dashboards tracking campaign and content KPIs.

House of Anita Dongre Private Limited

Mumbai, India

Communications Assistant Manager

October 2018 – January 2019

- Supported seasonal campaign planning, brand storytelling, and creative asset production (photoshoots, lookbooks, social visuals) for 3+ luxury fashion brands across cross-functional teams.

Creative Co. Private Limited

Mumbai, India

Marketing Intern

December 2017 – April 2018

- Developed content strategies for 7+ luxury brands across Instagram, Facebook, Twitter, and YouTube; led social media for India Design ID 2018 (130+ brands, 30+ speakers) and mentored 3+ junior team members.

- Promoted the Wooplr fashion discovery mobile platform across university campuses, driving brand awareness and user acquisition through peer-to-peer marketing and generated 110+ qualified leads.
